New Premier Is Named To Face Crisis In China

IS GRAVELY ILL

ATHENS, Nov. 26. — (INS) — Greek Premier Themistocles So-phoulis was in a serious condition today after his second heart attack in two days.

The 58-year-old leader of the Republican party was stricken in his office Wednesday afternoon. Physicians have confined him to a cot in his office and are standing by after giving him injections.

Tojo Informed Death Sentence Appeal Rejected

Execution Of Former Jap Premier And Six Others May Occur Monday

SOME SPECULATION ON EARLIER TIME

By HOWARD HANDLEMAN
(U. N. S. Staff Correspondent)

TOKYO, Nov. 26.—Former Premier Hideki Tojo and six other major Japanese war criminals were informed today for the first time that Gen. Douglas MacArthur has rejected appeals to save them from death on the gallows.

Speculation on the possibility the seven doomed men would be hanged within a few hours faded tonight before indications that the secret executions would not take place during the weekend.

May Be Hanged Monday

A reliable source said the hangings would not occur before Monday.

Belief that Tojo and his half-dozen fellow warmakers would be put to death early tomorrow was weakened by several developments indicating the contrary.

One was the fact that Col. V. A. Phelps, Deputy Provost Marshal of the U. S. Eighth Army, left Sugamo prison before 6 o'clock this evening.

His arrival at the prison shortly after 4 p. m., together with an unidentified American major general, had aroused speculation that the seven condemned men might go to the gallows soon after midnight.

Told To Return Monday

Another indication was the refusal of Sugamo officials to grant permission to former Premier Kokki Hirota's daughters to visit their father today. They were told they must return Monday.

The meeting was summoned after receipt of a new report—described only as "important"—from U. S. Marine Gen. William Riley, chief U. N. truce observer in the Holy Land.

It was not disclosed whether Riley had requested the council to consider application of sanctions to enforce the truce order. Sanctions could be imposed under the council resolution of November 4.

Nor was it disclosed whether Jews or Arabs have failed to meet truce obligations. Jews have charged new Arab troop movements are taking place in the area ordered demilitarized. Arabs insist that the Jews give up Beersheba in accordance with the order.

Meanwhile, U. N. debate on a permanent Holy Land settlement neared a climax, with Israel apparently assured that the U. N. will go a long way toward meeting its demands.

The U. S. reaffirmed policy announced earlier this week by reintroducing amendments to the British plan in the political committee.

PARIS, Nov. 26.—The special Security Council committee on Palestine was called to a closed meeting today to consider new action to reinforce the Negev truce.

The meeting was summoned after receipt of a new report—described only as "important"—from U. S. Marine Gen. William Riley, chief U. N. truce observer in the Holy Land.

It was not disclosed whether Riley had requested the council to consider application of sanctions to enforce the truce order. Sanctions could be imposed under the council resolution of November 4.

Arrest Suspect In Big Altoona Holdup, Murder

(BULLETIN)

NEW YORK, Nov. 26.—(INS)—New York detectives early today arrested Frank Carola, 27, a suspect allegedly involved in a \$60,000 stickup in Altoona, Pa., and a subsequent murder.

Carola, a short, stocky man who insisted he is a "laborer," was picked up by three detectives while asleep at 3 o'clock this morning in a hotel.

Wanted In Altoona Crime

Police said Carola is wanted in Pennsylvania in connection with the November 10 holdup of Daniel Lamont, wealthy turkman and reputedly one of the country's biggest bookmakers.

They said Carola also is wanted for questioning in the slaying of his alleged confederate, John Longden, 30.

Longden, a heavily tattooed man, was found shot to death in a cow pasture near Harrisburg, Pa., a few hours after the Lamont stickup.

Fastened to his upper leg with rubber were ten \$100 bills.

Both Carola and Longden were identified in New York recently from rogue's gallery photos by Lamont as the bandits who held him up at his Altoona, Pa., home.

Photos Identified

The arrest of Carola resulted from a tip and climaxed a 14-day "hunt" since the Carola and Longden pictures were identified three New York detectives maintained a round-the-clock vigil at Carola's Brooklyn address.

Yesterday Capt. Frank Phillips of the main office squad was tipped that Carola had been seen in the midtown section of Manhattan.

How Phillips learned the fugitive was in the Stratford hotel, where he was arrested, was not divulged.

Mistrial In O'Malley Case

Jurors Discharged After 60 Hours Deliberation Without Reaching Verdict

(BULLETIN)

PHILADELPHIA, Nov. 26.—(INS)—A mistrial was declared today in the O'Malley malfeasance trial.

The jury of eight men and four women was discharged by specially presiding Judge John W. Carr after it was unable to reach a "reasonable verdict" in 60 hours of deliberations.

O'Malley had been accused of 641 charges of violating his judicial authority.

The panel began deliberations early Tuesday afternoon and debated futilely until mid-afternoon on Thanksgiving Day.

Then it notified Judge Carr it was in "hopeless disagreement" but the jurist refused to discharge the panel without one more "earnest effort."

This morning the jurors notified Judge Carr that "we cannot agree on anything."

Immediately upon receiving this second note from the weary jurors, the jurist sent for the panel and discharged them.

He did not censure them in any way for failing to reach a verdict. Judge Carr expressed his thanks for the jurors for their long siege.

PITTSBURGH, Nov. 26.—(INS)—One man was shot and a company policeman was taken hostage by three armed men who failed today in an attempt to stage a payroll holdup at the Indianapolis mine of the Republic Steel Corporation near Pittsburgh.

No money was taken, and the hostage was released a short while later.

George Higgins, a company accountant, was shot in the leg, apparently because he failed to stand up quickly enough to suit the bandits.

The hostage was Al Grimm, a company policeman. After his release, he said he thought one of the bandits was wounded.

Reach Agreement On Terms To End East Coast Strike

Expect Longshoremen To Ratify New Agreement In Vote On Saturday

PREPARING SHIPS TO RESUME TRIPS

NEW YORK, Nov. 26.—Merchant ships and passenger liners made preparations today to sail from eastern seaports as soon as longshoremen ratify a new agreement that will settle the 17-day old strike.

Federal mediators, the New York Shippers Association and International Longshoremen's Association officials predicted that the membership will accept the new terms.

Rank-and-file members will vote on the new contract terms Saturday.

If the terms are accepted, longshoremen probably will return to work Monday to end the paralyzing strike that has crippled Atlantic seaboard shipping from Halifax, N. S., to Hampton Roads, Va.

Meanwhile, in San Francisco an agreement on terms for a settlement of the 86-day walkout of the CIO Longshoremen's Union has been reached with a membership vote also expected Saturday.

Highlights of the West Coast pact are a 15-cent hourly wage increase, a three year contract, improved grievance machinery, improved vacation and working conditions.

Doctor And Wife Battle Robber

CAMDEN, N. J., Nov. 26.—(INS)—A Camden physician and his wife saved thousands of dollars worth of jewelry and furs last night by their two-pronged fight with a sneak thief.

Dr. Francesco D'Imperio, 41, and his wife, Antoinette, 38, surprised the intruder on the second floor of their home as they returned from a visit.

The physician lashed out, knocking the burglar down a flight of stairs.

While he lay stunned, Dr. D'Imperio seized him again and the doctor's wife smashed a china statuette over the thief's head.

The robber, who had piled quantities of loot on the floor, escaped after a chase by the doctor and a passerby.

Loss Of Around \$4,000 Sustained In Blaze Early Thanksgiving Day

Fire of unknown origin caused a loss of around \$4,000 at the Grim Supermarket, 1235 East Washington street, at 4:20 o'clock Thursday morning. It was brought under control, and was confined to the area in which it originated, Fire Chief H. F. Steinbrink reported.

Firemen were called to the scene by an alarm from box 48, and fearing the blaze might spread into a more serious conflagration, Assistant Chief N. A. McFarland ordered a second alarm turned in. Through an error, a general alarm was sounded, calling six departments to the scene.

The blaze burned along the west wall of the store and into the meat cooler, before it was under control. Members of the Grim family, who reside in the rear of the building, were forced to flee from their apartment by the blaze.

Meermans And Wife In Auto Accident

Hurt When Car Skids On Lincoln Park Bridge In Youngstown Thursday

Robert L. Meermans, general secretary of the New Castle YMCA, narrowly escaped serious injury at 10 a. m. Thursday, in Youngstown, when his car skidded on the asphalt pavement. Mrs. Meermans suffered a fracture of the left leg and left arm.

Mr. Meermans and wife were en route to Cleveland for the Thanksgiving holiday. Approaching the bridge at Lincoln Park on Route 422 on the east side of Youngstown, Meermans began to slow down the speed of his car in order to make a left turn at the west side of the bridge. While on the bridge, he found it necessary to apply the brakes more heavily, and the car skidded on the fog-moistened pavement across the bridge and struck a tree on the west side of the bridge.

Mrs. Meermans is being treated for her injuries in St. Elizabeth hospital in Youngstown.

Mr. Meermans suffered a laceration on his nose and shock but was able to be at work today.

The car had extensive body and frame damage.

The Meermans' small dog was so badly injured in the accident, that it had to be killed.

NEW PREMIER IS NAMED TO FACE CRISIS IN CHINA

Chiang when he announced the appointment of former Premier Chang Chun to take Chen Pu-Lei's place as secretary general of the highest political body in China.

Simultaneously, President Chiang sent to the legislative Yuan (parliament) the nomination of Sun Fo, whose father was the Reverend Sun Yat-Sen, to become president of the executive Yuan (premier), replacing Wong Wen-Hao who resigned the premiership two weeks ago.

Nomination Confirmed

The parliament overwhelmingly confirmed Sun Fo a nomination.

Both Chen Pu-Lei's suicide and Premier Wong Wen-Hao's resignation occurred at approximately the same time.

Both came almost immediately after the Chinese Communists completed their conquest of rich Manchuria and moved into their present offensive against Suchow, communications key to the Nanking-Shanghai area.

The Kuomintang's central political council, of which the late Chen Pu-Lei was the chief officer, comprises a group of the most powerful men in Nationalist China. It is to Nationalist China what the Russian Communist party's politburo is to the Soviet Union.

Chiang's nomination of Sun Fo to succeed Wong Wen-Hao as premier was confirmed by the legislative Yuan by a vote of 228 to 44, with three votes voided. Sun Fo, a former Chinese ambassador to Russia, was expected formally to assume the premiership next Wednesday.

BECKERT-PETERSON EVENING WEDDING

At a candlelight ceremony in Calvary Gospel Tabernacle Thursday evening at 7:30 o'clock Miss Mary Althea Beckert, daughter of Mr. and Mrs. Louis Beckert of 305 Shaw street, became the bride of John Kenneth Peterson, Jr., son of Mr. and Mrs. J. K. Peterson of 622 Raymond street. Palms and ferns banked the altar before which the couple exchanged vows at a double ring ceremony with Rev. Howard V. Sartell officiating.

The bride, given in marriage by her father, wore a gown of ivory satin, princess style, the bodice trimmed with bead embroidery in a sunburst design and fastened down the back with tiny covered buttons. Her fingertip veil fell from a satin coronet headdress trimmed with bead embroidery, and she carried a bouquet of ivory white roses and white pompons.

As maid of honor her sister, Miss Catherine Beckert, wore a gown of lime green taffeta, trimmed with deep tucks of material around the shoulders below a net yoke. Her headdress was of matching taffeta and she carried Talisman roses and yellow 'mums.

Arden Rice, of Leesburg, was best man, and ushers were Joseph Beckert and Richard Rice. As soloist Richard Rudolph, of Stoneboro, a cousin of the groom, sang three selections, accompanied at the piano by Mrs. Howard Sartell.

Following the ceremony there was a reception for 100 guests in the home of the bride's parents. Refreshments were served buffet style from a table centered with a four-tiered wedding cake. Aides were Mrs. Charles Eddy, Mrs. Lee Krueger, Miss Karna Drake and Miss Mary Louise Eddy.

Mr. and Mrs. Peterson, Jr., left on a trip to Washington, D. C., and will be at home after November 28 in an apartment in Bellefonte.

Mrs. Peterson, a graduate of Shenango high school, who has been employed here as a chief operator for the Bell Telephone company, has received a transfer to Bellefonte.

Mr. Peterson, who graduated from New Castle high school, is a senior at Penn State, where he is majoring in engineering.

MALLEY-ZONA WEDDING SATURDAY

Miss Ellen Malley, daughter of Mr. and Mrs. C. J. Malley, 410 Fern street, and Joseph Zona, son of Pasquale Zona will be united in marriage at an open church wedding, Saturday at 8 a. m., in St. Vitus church. The single ring ceremony will be used.

Miss Rose Audia will be the maid of honor.
Marion Audia will serve as best man.

A wedding dinner will follow the ceremony at a dining room on Croton avenue. A reception will be held at the Malley residence from 2 to 5 o'clock, in the afternoon.

DINNER-DANCE ON GOLDEN WEDDING

Two New Castle residents celebrated their golden wedding anniversary on Thanksgiving day at a dinner-dance in the Slavish hall. They are Mr. and Mrs. Klement L. Dobelek of 4 Northview avenue, South New Castle borough, who have made their home here for the past 48 years.

Dinner was served at 6 o'clock in the evening at a table decorated entirely in gold and white and centered with a four-tiered wedding cake. On either side were ivory tapers in crystal holders on which were tied with gold ribbon large golden yellow 'mum' blossoms. Covers were laid for more than 100 guests.

Later there was dancing, both oldtime Polish dances and modern, to the music of a local orchestra.

The couple's only son, John Dobelek acted as toastmaster during dinner and present also were their daughters, Mrs. Peter Klamm and Mrs. Marshall Budzowski, both of New Castle, Mrs. Stanley Augustyn, of Akron, O., Mrs. Max D. Winston, of Saginaw, Mich., and Miss Joan Dobelek, of Wyandotte, Mich. One daughter, Mrs. Alphonse Ceglarek, of Fort Wayne, Ind., was unable to be present. Also present were their 13 grandchildren and one great-grandchild.

To receive Mrs. Dobelek were a blue and white striped dinner dress and a corsage of yellow roses. The daughters all wore corsages of yellow baby 'mums.

Among those present were two guests who were at the wedding on November 16, 1898, in Poland, Mrs. Josephine Masajada and Stanley Adamczyk, both of this city.

This morning Mr. and Mrs. Dobelek and their children all attended 9 o'clock mass in SS. Philip and James church.

CUNNINGHAM-MARTIN MORNING WEDDING

At one of the loveliest of late fall weddings, Miss Frances Cunningham, daughter of Mr. and Mrs. Thomas Cunningham, of 308 North Beaver street, became the bride of Robert Martin, son of Mr. and Mrs. Cletus Martin, of 316 North Beaver street, Tuesday morning, November 23, in St. Mary's church. The young couple exchanged vows before a large gathering of friends and relatives, with Rev. Fr. Francis M. McCarter officiating at the single ring ceremony. The altar was beautifully decorated with cibodium ferns and huge vases of white mums, lighted by tall tapers and along the aisles, clusters of white mums tied with white satin ribbons decorated the ends of the pews.

The bride, given in marriage by her father, was lovely in a gown of white chiffon velvet, fashioned with an off the shoulder effect and a yoke of sheer illusion. It was princess style with a full skirt made entraine. Her fingertip veil of illusion fell from a crown of white flowers. She carried a hand bouquet of two white orchids with green and white ivy leaves as streamers. Her only jewelry was a single strand of pearls.

Miss Honora Cunningham, as her sister's maid of honor, was attired in a gown of gold chiffon velvet styled similarly to the bride's with an off the shoulder effect and princess lines. She carried a hand bouquet of bronze and yellow pompons, which fell in a shower effect before her. Her headdress was a tiara of the same pompons which made up her bouquet.

Bridesmaids, the Misses Anne Martin, sister of the groom, and Lois Cunningham, sister of the bride, were attired in gowns of forest green identical to the maid of honor's. Their headdresses and bouquets were also identical to the maid of honor's.

James O'Keefe, of Niagara Falls, N. Y., served the groom as best man and ushers were William Snyder and Robert Cunningham, brother of the bride. John Cunningham, brother of the bride, and Joseph Martin, brother of the groom, served as altar boys.

Immediately following the ceremony there was a wedding breakfast for the bridal party and the immediate families at The Castle-ton, followed by a reception in the home of the bride's parents, which lasted throughout the afternoon and evening for over 400 guests.

The newlyweds left on an extended wedding trip and upon their return will reside in a newly furnished apartment on North Beaver street.

Mrs. Martin is a graduate of New Castle high school and is employed as bookkeeper for Cunningham and Weingartner Florists. Mr. Martin was graduated from high school in Olean, N. Y., and is a veteran of several years service in World War II with the U. S. Army. He is now attending Duquesne University in Pittsburgh.

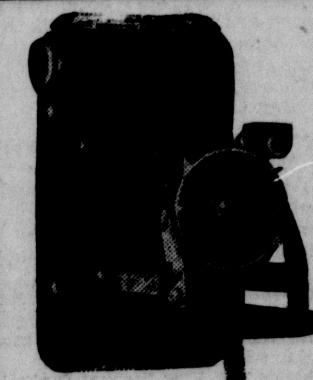

THANKSGIVING BALL COUNTRY CLUB

New Castle Country Club was crowded to capacity Wednesday evening when it was the scene of New Castle Section National Council of Jewish Women's annual Thanksgiving ball. The ball, an annual fund-raising event given by the section, was well attended not only by members and their guests but by many of the college set home for the holiday, and a number from out-of-town.

From 9:30 until one o'clock a popular local orchestra played for dancing.

In the receiving line were co-chairmen Mrs. Irvin Robins, Mrs. Samuel Schwartz, Mrs. Sol Weiner, and Mrs. Daniel Fisher, and Mrs. Alec Samuels, president, and Mrs. William Cosel, honorary vice-president.

Proceeds of the dance will go to various section projects to further the interests of humanity in the fields of religion, philanthropy, civics and education.

Navy Discloses Gun Developed To Fire Bombs At Supersonic Speeds

WASHINGTON, Nov. 26.—(INS)—The Navy disclosed today that it has developed a new 24-inch gun, largest in the world to fire bombs and guided missile warheads at supersonic speeds.

The gun has been put into operation at the naval proving ground, Dahlgren, Va., shooting bombs and warheads up to 2,000 pounds against armor plate and concrete targets.

The Navy said the firings will enable it to measure the effect of such an impact on these weapons and expand research work in the field of ordnance testing.

A Navy spokesman said the gun represents the first use of cannon power to propel guided missile warheads. Up to now, the robot projectiles and their components have been powered strictly by jet and rocket force, although bombs have long been test-fired by guns.

Officials said the gun has not been used to fire complete guided missiles—only the warheads with small charges for test purposes.

But observers speculated that the research tool might be easily converted into a new and potent offensive weapon.

Business Problems To Be Discussed

Chambers Of Commerce Sponsor Business-Legislative Dinner In Beaver Falls

Issues that face the 1949 General Assembly will be aired Monday night, November 29, in the Broadhead Hotel, Beaver Falls. A dinner, sponsored by the various Chambers of Commerce in this district will be held attended by business men and the newly elected members of the General Assembly.

Similar meetings are being held all over the state under the general sponsorship of the State Chamber of Commerce. Participating in the Beaver Falls dinner are the Greater New Castle Association, and the Chambers of Commerce of Ellwood City, Beaver Falls, Ambridge, Aliquippa, Midland, Monaca, Freedom and New Brighton.

Speakers will include G. Brown Zahniser of New Castle, Attorney John D. Ray of Beaver Falls as business spokesmen, who will discuss business problems. State Senator-Elect Samuel G. Neff and Assemblyman William H. McCullough will discuss legislative problems.

J. Fred Ingram of Beaver Falls will be the temporary chairman and William H. Langan of New Castle the toastmaster.

GIRL SCOUTS

Brownie Troop 53

Members of Brownie Troop 53 had their regular meeting at Thaddeus school Monday evening, under the leadership of Mrs. W. Davis, Mrs. K. Laurell and Mrs. L. Strobel. The flag ceremony was led by Ruth Ann Strobel, assisted by a volunteer color guard. Dues were collected, after which there was an election of officers. Linda Laurell was elected president, Beverly Davis and Sue Ann Campbell, vice presidents; secretary, Ruth Ann Strobel, and treasurer, Marlene Braatz. These officers will serve for this year.

A new Brownie, Liha Foss, who was transferred from another school, was welcomed as a member of the troop at Thaddeus.

A folk dance was enjoyed and the meeting was closed with the Scout handclasp and the singing of "Taps".

Troop 31

Troop 31, under the leadership of Mrs. J. H. Earl McKenzie and Mrs. Henry Wimer, held its weekly meeting in the scout room at Highland church on Tuesday at 4 o'clock. A short business meeting was held and songs were sung.

Marlene Williams completed her hostess badge, and it will be awarded her soon.

At 4:30 the scouts went to the dining room where they became the guests of Mrs. Russell Tait who used the occasion to act as hostess to all the girls in honor of the birthday of her daughter, Anna Mae, a member of the troop. They found the chairs arranged in the form of a semi-circle in the center of which a table held birthday candles. The room was darkened and a single candle glowed on the individual birthday cakes that had been placed on each chair. After singing "Happy Birthday" each girl blew out her candle and enjoyed the delightful refreshments. The affair was a complete surprise to Anna Mae. The party ended with the girls expressing their appreciation to Mrs. Tait and wishes for many more happy birthdays.

After returning to the scout room the 45 scouts present joined hands for Taps and the good night squeeze.

Auxiliaries Join In Annual Program

Legion And Veterans Of Foreign Wars Ladies Entertain At Almira Home

American Legion auxiliary to Perry S. Gaston Post joined with the auxiliaries of the Veterans of Foreign Wars Posts No. 522 and 315 and gave a program Wednesday evening for the residents of Almira home at the home.

Mrs. Evelyn Woods, chairman of the program for the veterans' auxiliaries, gave the opening remarks recalling the first Thanksgiving program put on by the auxiliaries 17 years ago. Group singing followed and Mrs. Georgi-

ana Walsh brought words of welcome from No. 522 auxiliary.

Mayor John F. Haven, introduced to the group, as the gist of his remarks said that we all need to get on the same bandwagon working for peace, not just thinking about it.

Mrs. Lillian Davis sang a solo accompanied at the piano by Mrs. Beatrice McNicholas after which Mrs. Della Missey gave a reading. Continuing the program was a piano solo by Mrs. Clara Jameson, remarks by Sheriff Coen, and several vocal duets by Bob Pandice and Joe Ritter accompanied by Bob on the banjo.

To close the program, gifts of cookies were presented to each lady.

Mrs. Isabel McKee, president of No. 315 auxiliary, extended greetings and introduced Mrs. Florence

Potter who gave a reading. Gifts of candy were then presented.

For the legion auxiliary Mrs. Ida Suber and Mrs. Ethel Murphy presented the following program: a reading by Mrs. Dorothy Boyle, a solo by four-year-old Joy Sherry, a musical trio number by Jack, Bob, and Jimmy Suber, readings by Carol Young, and a solo by Mrs. Mae Hammond.

How To Hold FALSE TEETH

More Firmly In Place
Do your false teeth annoy you and embarrass you by slipping, dropping or wobbling when you eat, laugh or talk? Just sprinkle a little FASTEETH on your plates. This alkaline (non-acid) powder holds false teeth more firmly and more comfortably. No gummy, gooey paste taste or feeling. Does not sour. Checks "plate odor" (denture breath). Get FASTEETH today at any drug store.

Rev. Thomas J. Jones spoke briefly and closed a short devotional service with the benediction.

Large mums were presented by the legion auxiliary as a Thanksgiving gift to the ladies.

Mahoning School Has Thanksgiving Event

Primary, Intermediate And Ninth Grade Classes Present Fine Programs

In the auditorium of Mahoning school, two separate Thanksgiving programs were presented on Wednesday morning, which were well received.

The primary grade program consisted of two choral poems, one by 3-106 class, entitled "The Happy Thanksgiving Day". The second was given by the fourth grade class on the theme "We Thank Thee" Piano and vocal selections by James Duff. Class 3-107 presented a cute playlet entitled "Tom Turkey Saves His Life". There were vocal selections by the third and fourth grade choruses. James DiVivo gave a splendid trumpet solo. The above program was arranged and directed by Miss Jean Hilliard and Mrs. Gwladys Pollard.

Intermediate classes, consisting

of the fifth and sixth grades, gave a playlet entitled "Thanksgiving Eve in the Cornfield". The seventh grade chorus concluded the season's program with a number of fine selections.

Mrs. Mary Jones and Miss Edith Shira were in charge of the intermediate part of the program.

Tuesday afternoon, members of the ninth grade class presented a play in the auditorium, depicting the action of the Pilgrim fathers, during their persecution in England, their eventual voyage to America, which included the writing of the "Mayflower Compact" enroute, also life in America through the "First Thanksgiving".

The play was directed by Mrs. Gwladys Pollard.

Parents Honored On Anniversary

Mr. and Mrs. Victor Gasperi of 105 West Cherry street, were jointly honored Thanksgiving Day by their children, Mrs. Charlotte Filgenzi and Ralph Gasperi on the occasion of their 30th wedding anniversary.

A bountiful dinner was spread in the Gasperi home during which the couple were remembered with flowers and gifts. Ralph is a student at a Cincinnati music school and spent the holiday at his home.

Scald the teapot first

Scald a crockery teapot. Put in one teaspoonful of tea or one tea-bag for each person. Add fresh, "bubbling" boiling water. Steep for five minutes. Stir, then serve.

"SALADA" TEA

Mrs. Gasperi is ill at her home but was able to enjoy the anniversary dinner.

Union Thanksgiving In Ward Churches

At Mahoning Methodist church, congregations of the Mahoning-town Presbyterian, Madison Avenue Christian and the former church gathered for a union

Thanksgiving service on Wednesday evening. There was a good attendance and a splendid service.

Rev. H. A. Redmond, Presbyterian pastor, preached the sermon on the subject "The Treasures Of The Snow" from the Book of Job. Robert L. Smelser, Madison Avenue pastor, led in the reading of scripture and prayer. Rev. J. L. Petrie, Methodist pastor, presided. The choir, augmented by singers from the other two churches, under Mrs. Kenneth Gibson, sang the

anthem "Praise the Lord O My Soul". A thank offering was taken up, to be turned over to the City Rescue Mission for local work.

Begin Improvements At Liberty Park

At a meeting of the Seventh Ward Civic club this week at the Hyde Drug store, with Manning

Weller presiding, it was reported that work has commenced on the proposed improvements to Liberty park by city employees.

The Civic club is planning to have the electric wiring for the Christmas season completed and lights turned on the evening of December 10. A report was made the city council and school board had commenced condemnation proceedings regarding the recreational field in the seventh ward.

WHY NOT CELERY FOR AUTUMN MEALS

Homemakers who limit celery to use in stuffing for fowl roast, are missing a real flavor treat. Celery's chief value to the meal planner is its crunchy texture and a distinctive flavor that adds extra zip to meats, fruits and vegetables alike. Celery is at home in a meat casserole, a vegetable medley, or a fruit salad. It is good cooked or raw and it furnishes necessary fiber in the diet. Celery contains a small amount of calcium and vitamin A. Green Pascal celery has more vitamin A than white celery. Celery tops have innumerable uses in seasoning soups and stews. Cream of celery soup is a good first course or luncheon dish. Equal parts of cooked celery may be added to buttered peas or green beans for variation in a meat. The addition of cooked celery and cream sauce to left-over vegetables will make them more interesting to eat. Braised celery stands on its own in the vegetable line-up. It is especially good served with fowl. Almost any salad is crisper and tastier for the addition of some sliced celery.

On the relish tray celery may be used plain, or celery curls, or as stuffed celery. Peanut butter, cheese, dried fruit, and nut fillings may be used for stuffed celery. The following recipe for stuffed celery is excellent:

Stuffed Celery
One 3-ounce package cream cheese
2 ounces Roquefort or blue cheese
1 teaspoon Worcestershire sauce
1 tablespoon thick cream
Dash Tabasco sauce.
Blend all ingredients until smooth and creamy. Fill stalks of celery and place them in the refrigerator to chill. When chilled, cut in finger-length pieces and serve on a relish tray. Cottage may be used in place of cream cheese.

**CORN PICKER DANGEROUS
IF IMPROPERLY USED**
The corn picker is a dangerous farm machine if not used right, as indicated by recent farm accident reports. With all the modern guards and shields on the corn picker, plus ordinary careful operation, there is no need for acci-

dents. But they will happen, if the operator gets a bit careless. So if the guards or shields are removed, they should be put back on before the picker is put in operation. They afford no protection if they lie along the fence row. Accidents with corn pickers usually involve loss of arms, legs, or fingers, and too many of them

are fatal. When a corn picker is hitched to a tractor, it really is a combination that requires careful handling if accidents are to be avoided. One caution—never make adjustments on machines while they are running. Stop the machine and throw it out of gear. Do not take chances. Machines are vicious. Al-

ways keep the shields in place on the power-take-off. They are put there for a definite purpose, and are accident preventors. Loose clothing is always a hazard when working around any kind of machinery. Too often crippled farmers can testify to that. Use care when working with machinery and thus avoid accidents.

Says Obsessions Are Dangerous

Rev. Thomas J. Jones Warns Kiwanians Of Danger, In Address

THANKSGIVING THEME OF TALK

In a special Thanksgiving message delivered before the New Castle Kiwanis club, Wednesday noon, Rev. Thomas J. Jones, warned against obsessions which seemingly possess most Americans, and which may lead to dangerous consequences.

He decried the fact that our Thanksgiving is becoming very much detached from its original purpose and meaning. God is being left too much out of the picture today, when folks say they are thankful.

Among the obsessions, which he warned against, is that of prosperity itself. We are also possessed with the obsession of our own goodness, and have come to think of ourselves as better than any other people of the face of the earth. We fail to take cognizance of the fact that seventeen great civilizations have passed from the face of the earth.

Another is godless secularism, he stated. The moment a nation detaches itself from its background, it begins to weaken.

President John A. McGrath announced that an officers conference will take place in Ellwood City, Tuesday evening, November 30, following the regular dinner meeting of the club, which starts at 6 o'clock.

one, particularly because of the pattern set by Queen Victoria and followed in his own way by the present sovereign's father King George V.

It was recalled at the time of the latter's death that he wore himself out needlessly. His preoccupation with affairs of state was very real and his opinion on all matters was held in highest esteem by his cabinet and privy council.

And he had an enormous sense of duty. Despite a severe cold, he attended Armistice Day ceremonies at London's cenotaph on a rainy, blustery day only a short while before he was stricken by fatal illness.

George VI has always been exceedingly active in just the same manner. His exertions were great during the war years and since it ended has subjected himself to the same austerity that is demanded of the people.

He is known to have said that what the people must do, a king can do. It was a private motto, but one that he adhered to religiously.

Keep the youngsters on a job that is wholesome and a foundation for greater things. Incidentally it might be pertinent to suggest that newspaper subscribers be courteous to their carriers and fair in dealing with them. A boy's future judgment of humankind may well be formed by his contacts with his customers.

War Film Is Seen By Volant Lions

VOLANT, Nov. 26—Twenty-four members of the Volant Lions and two guests attended a turkey dinner at the Volant Methodist church Tuesday evening. The dinner was served at 6:45, and was followed by the usual business meeting.

At the completion of the routine business, Glenn McCracken of the New Castle club had charge of the program. This included moving pictures of various battle scenes from the last war, and proved to be most interesting to all who were present. A brief but enjoyable musical program concluded the evening's schedule.

The next meeting of the Lions will be at the Rich Hill Presbyterian church December 14, and will be a dinner for the members and their wives. Later in the month a Christmas party will be given for the children of the community.

"TRUSSES"

Engineers are very much interested in trusses. They use them in building bridges and other structures.

There are many kinds of trusses. Doctors sometimes use trusses in the treatment of hernia or rupture. They are not used as often as they used to be. A rupture is usually cared for better by surgery.

The diagnosis is the important thing. Diagnosis means the finding out of the actual condition. To make a diagnosis is to find what the trouble is for sure.

Sometimes a truss is put on a person for a rupture when there is no rupture. There may be something which seems like a rupture. Trusses were popular in the horse and buggy days.

RICHMAN BROTHERS

FINE, SMARTLY STYLED

ALL WOOL OVERCOATS

34⁵⁰

Yes, we know \$34.50 is a low price for a good overcoat, but if anyone in America can do it without sacrificing quality, it's Richman Brothers—not because we possess superior virtues, but because we have everything it takes to do a first-class value-giving job.

We hand-pick the fabrics from the country's finest woolen mills. We thoroughly shrink every yard of material, and this costs us as much as two yards of cloth from a bolt of overcoating. We design, cut and tailor our coats in our own workrooms, and under our own supervision. We take nobody's word for quality.

Finally, we sell our product in our own stores, at the lowest prices our large-scale way of doing business makes possible. Come in and take your choice. The selection is the best in years.

Shenango Seniors Will Be Seen In 'Where's My Baby?'

Senior Cast Ready To Present
Hilarious Comedy In School
Auditorium December 3

The cast of "Where's My Baby," Senior Class play of Shenango High School, has been working diligently to give an accomplished performance for the public on December 3. The hilarious plot has been entrusted to a specially selected cast and they intend to give it as much realism as possible. The part of Jeanette Nourland, the fortune-seeking mother, is taken by Ann Orlando. Ann is the daughter of Mr. and Mrs. Alex Orlando of R. D. 1. She is a vivacious girl whose most enjoyable school activity is being a cheerleader for the school teams. Delores Welker, as the young daughter Gloria, who imitates all the antics of her favorite movie stars, is perfectly cast. Delores, daughter of Mr. and Mrs. Paul Welker of R. D. 1, is a veteran stage performer, having been a member of the cast of last year's Junior play.

The fellow who provides all the complications for the plot is Jackson Holmes, of young but shrewd attorney. Bob McGovern, son of Mr. and Mrs. Arthur McGovern of R. D. 5, was selected to fill this role. Bob is the popular Senior selected as Home Room President. His ambition is to enter college to become a geologist.

Tom McGary, Senior Class president and active in a variety of school activities, enacts the part of Donald Regent, Gloria's fiancé. As the romantic interest of the young girl who might inherit the fortune, his entrance certainly complicates matters. Tom is the son of Mr. and Mrs. Charles McGary of R. D. 1. Miss Leora McCommon, who directs the Senior Play, will have the cast ready to give a sparkling performance on December 3 at the Shenango High School auditorium at 8 p. m.

Band Pre-Views For WPIAL Game

Half Time Program At Bear-Boltbusters Game To Be Done At Pitts- burgh

Football fans got a preview Thursday night of the New Castle Senior High school band's performance in the Pitt Stadium on Saturday. The band used practically the same program Thursday night it will use for the New Castle Monongahela game. Entering the field at half time the band formed a sleigh and gave out with "Jingle Bell Jive". The majorettes had bells on their boots and the tinkling of the bells added to the music and the rhythmic

movement of the majorettes created a pleasant illusion. Next a huge skate was formed and the band moved along in slow skating time, with the majorettes skating in couples. Naturally the "Skaters Waltz" was the music. A plump Thanksgiving turkey came next with "Turkey in the Straw" as the music. This time the majorettes did a barn dance and the band itself did a break step to the music. The exit number was "Feudin' and a-Fussin' and a-Fightin'" with the band forming an NC and the majorettes an E. The band marched off, "chasing" the majorettes from the field while they used their batons as rifles. It was an amusing number, done in time and to the crowd's delight. The show showed the result of a lot of rehearsal and if the show Saturday in Pitt Stadium is as good as the one Thursday night, the Pittsburgh fans will get an eye-ful. Joe Replogle directed the band and did his usual good job.

North Street Pupils Has Fine Program

Older Pupils Of School Unite In Holiday Presentation Enjoyed By Students And Parents

A most wholesome and enjoyable Thanksgiving program was presented by the boys and girls of North street school on Wednesday afternoon with the parents of the pupils as special guests. The presentation was under the personal supervision of Mrs. Margaret Hogan.

Most interesting about the program was the use of three songs which were the compositions of the director, Mrs. Hogan, and included "Sing America Sing", "To Thee" and "Lord of the Harvest". The various parts of the program were introduced by a reader, Miss Rose Pietro, who was dressed in primitive costume.

Boys and girls from grades four, five and six joined in the opening number "Sing America Sing", followed by devotions. "Thanksgiving Hymns" by grades five and six and a group of songs by grade three students continued the program. Other outstanding features of the program included dance numbers, piano solos by Roberta

Pitsch and Cecelia Bazley and a group of spirituals by a number of pupils.

The program was well conducted and received the applause of the pupils and visitors witnessing it. Mrs. Hogan accompanied the various song numbers on the piano.

Anthracite coal was discovered in Carbon county, Pennsylvania, in 1791.

guish between propaganda and facts.

The next meeting of the Federalists will be on December 30 with the subject for discussion being "Belief, Purposes and Policies of World Government".

Rejection Rate For Draftees Is Unusually High

WASHINGTON, Nov. 26.—(INS)—Selective service headquarters announced today that more than 72 per cent of the 22 to 25-year olds called up for pre-induction physical examinations have been rejected as unfit.

The percentage is similar to an earlier rejection rate for men in the 24 and 25-year age groups alone. A draft spokesman pointed out, however, that the latest figures are the first to include men in the 22 and 23-year age brackets.

At the same time, draft officials reported that the army is applying stricter physical requirements now than during the war. They said that this fact probably will cause the rejection rate to continue much higher than the wartime ratio of 35.8 per cent.

Draft headquarters said that local boards have reported the examining of about 44,000 men so far in the 22-25-year age group, with cast offs totalling 32,000.

Psychoneurotic disorders and heart ailments were among the major causes for rejections. But selective Service Director Hershey said that he is "not in the least surprised about the situation."

He explained that with veterans exempted from the peacetime draft, most of the men now being called were 4F's during the war or held essential jobs.

U.S. TAKES BIKE LEAD

WASHINGTON, D. C.—According to the latest registration figures the U.S. has taken the lead in the number of bicycles—for the first time in history—with 17,500,000. Germany is a close second with 17,000,000 and the British Isles are third with 10,000,000.

Taproom Owners Given Warning

HARRISBURG, Nov. 26.—(INS)—Pennsylvania taproom owners had a stern warning today to "play ball" with local communities to forestall local option elections.

Rear Adm. F. E. M. Whiting, USN (Ret.), of New York, president of Licensed Beverage Industries, Inc., told more than 800 members of the Pennsylvania Retail Liquor Dealers Association last night at Harrisburg that adherence to liquor laws must be continued, even though "the position of the liquor industry in the state from the standpoint of prohibition is secure."

He pointed to liquor industry advances in the general election when Kansas overrode prohibition and California remained "wet" by a 3-1 margin. Gains were registered in Michigan and Massachusetts, he added.

The results, Whiting said, were "one of the greatest victories we ever attained."

Christmas Plans Being Made At City Mission

Christmas, 1948, will be one of the happiest and brightest times in the more than a quarter of a century existence of the City Mission, 17 South Mercer street, if present plans of the Superintendent and Mrs. C. A. Smith materialize.

For the past few weeks, Rev. and Mrs. Smith have been busily engaged mapping out plans for the observance of the occasion commemorating the birth of the Christ child in Bethlehem some 1900 years ago.

The plan as outlined by the busy Mission head calls for a party to be given on Friday, December 17, at 4 p. m., for the beginners and primary department of the Mission Sunday school with the mothers of the youngsters to be special guests. At this time, the boys and girls will be treated to sandwiches, cookies, ice cream and other refreshments and last but not least, each will be given a present. At least 75 will be in attendance for this first event in the week long celebration. A program will conclude the evening.

Santa To Be On Hand
On Tuesday, December 21, at 6 p. m., the older children of the Sunday school, numbering approximately 100 will be feted at a chicken or turkey dinner. At the conclusion of this program, Santa Claus in all his regalia will be on hand to present the boys and girls with gifts. The individual programs of the various departments of the Sunday school will take place.

On December 23, a dinner is planned for the older men of the

city who would otherwise have a slim Christmas dinner unless someone came to their help. About 25 men will be on hand for this event, with each to partake of a fine meal and receive a gift at the conclusion.

To Pack Hampers
This yet, does not include the Christmas celebration of the Mission and its staff of volunteers. A number of large hampers chuck full of all kinds of food stuffs are to be presented to needy families about the city with the size of the hamper depending on the size of the family. These will be packed and distributed on Friday, December 24.

In order to do all this, the Mission is looking to the good citizens of the community who will provide toys, foodstuffs and other articles for this worthy cause which will make many happy who otherwise would have a very dull Christmas. In previous years, a tag day was conducted to provide funds for the Christmas program but this has been eliminated this year with Rev. and Mrs. Smith and the volunteers believing that merchants and various individuals will rally to the cause to make these things that have been planned possible. Already many foodstuffs, have been contributed to the Mission, but many more items will be needed to complete the plans.

With use of diamond dies, almost 100 miles of invisible wire can be drawn from a single pound of copper.

Parables Illustrated Bible Messages
JESUS TELLS STORIES TO EXPLAIN HIS TEACHING

Jesus preaches from a boat.

"And Jesus went about all the cities and the villages, teaching in their synagogues, and preaching the gospel of the kingdom, and healing all manner of diseases and all manner of sicknesses."—Matt. 9:35.

By NEWMAN CAMPBELL

Parables are short stories told to emphasize a point in instruction. The special point to be accented may be a little obscure to the listeners, but the story makes it clear.

Jesus told many parables—33 of them in the New Testament—most of them found in the gospels of Matthew and Luke. Many mothers and fathers use this story method to help their children understand the right or wrong of conduct. The youngsters, remember the tale more vividly than they do the moral lecture, and as most of us are "children of a larger growth," we, too, remember these stories—and we do not miss the lesson; it, too, remains with us.

Many of the people in the crowds that followed Jesus were ignorant men and women, although there were also those who heard Him who were well educated. These were the men who were always trying to trick him into some statement that they could use as an excuse to arrest him and turn him over to the authorities.

Such a one was the lawyer who asked Jesus what he should do to inherit eternal life. Jesus' answer, however, frustrated his purpose. Jesus said, "What is written in the law?" The lawyer answered, "Thou shalt love the Lord thy God with all thy heart, and with all thy soul, and with all thy strength, and with all thy mind; and they neighbor as thyself." "Thou hast answered right," said Jesus. "This do, and thou shalt live."

Jesus then told the parable of the man who fell among thieves, who robbed and beat him and probably left him for dead. Two "good" churchmen passed him by without more than a glance, but a certain Samaritan (of a race the Jews hated) came by, saw the man, bound up his wounds, put him on his own donkey, and took him to the nearest inn, and had him taken care of there. The lawyer had asked Jesus who

was his neighbor, so after telling the parable, Jesus said, "Which of these three, thinkest thou, was neighbor to him that fell among thieves?" Of course the lawyer said, "He that shewed mercy on him." "Go, and do thou likewise," was the answer.

Even to the most ignorant and unlettered man in the crowd that story made the lesson plain.

"Publicans and sinner" — the unlettered, poor and despised came in crowds to hear Jesus, and the Pharisees and scribes, who considered themselves superior, grumbled that he "received publicans and sinners." Knowing this, Jesus spoke His parable of the shepherd who had 100 sheep but lost one. Leaving the 99, he searched for the lost one until he found it, and then he called his friends to rejoice with him.

Likewise a woman who had 10 pieces of silver, and lost one, hunted until she found the missing piece, and called her neighbors to be glad with her. Jesus ended the telling this parable with the words, "Likewise, I say unto you, there is joy in the presence of the angels of God, over one sinner that repenteth."

None in the crowd was so ignorant but Jesus' meaning was clear. Not even one poor, humble wrongdoer who was sorry for his sins and reformed, was ignored by a just God, but welcomed into the kingdom of heaven, even as the Pharisee and the scribe.

The familiar story of the prodigal son who squandered his heritage on evil living, and then repented and returned to his father, planning to take a humble place among the servants of his father's household, was told. You remember that his father went to meet him, kissed him, dressed him in fine garments and had a feast prepared to welcome him home—a repentant and humbled man.

We can never know who among those motley crowds hearing the Master was moved to live righteously thereafter. His words, like the tiny grain of mustard seed that grew into a spreading tree, undoubtedly reached many hearts and changed them.

It was like the leaven which the woman hid in the three measures of meal, and which leavened the meal all through. There is some disagreement about the interpretation to be put on these two parables, but they do illustrate the fact that wise words uttered in public has infinite possibilities for good.

WHAT ARE SERVICE PLATES?

"Please tell me when and how service plates are used? I have just had some given to me which are entirely different from my china. Is this correct?"

Answer: The service plate is that which is placed at each cover when the table is set. It may match the set used at the meal but frequently it is different.

For everyday purposes, few families in moderate circumstances use service plates; but when used, this is the procedure in the perfectly set table:

They are put on when the table is set. The first course, brought in on its own plate, is placed on top of the service plate. When this course is finished, the used plate is removed, leaving the service plate. Then the soup plate is placed on it. Therefore, there are

always two plates under the first two courses.

The service plate should be removed along with the soup plates and a dinner entree plate takes the place of those removed.

According to the strictest rules of etiquette, faultless dinner service demands a plate in front of each guest at all times.

In previous years, every piece

of china used at dinner had to match precisely but now fashion permits salad plates, dessert plates and after-dinner coffee cups, in addition to service plates, to be different designs.

Question: I am in my mid-twenties and will soon marry. I have asked my fiancé's two sisters (married and in their early thirties)

to be my bridesmaids. My other two attendants are friends of my own age. The two older girls say they are too old. Are they?

Answer: Not unless they are too mature (which they should not be) to make an attractive wedding picture.

Rheumatism is the family name of a group of diseases.

Make New Record For Production Of Pig Iron In Month

NEW YORK, Nov. 26.—(INS)—A new monthly record for pig iron production—5,459,000 net tons—has been set by the nation's steel mills.

The American Iron and Steel Institute disclosed today that the October, 1948 tonnage exceeds the October 1947 production rate by more than 295,000 tons.

An institute spokesman said that if the present blast furnace rate is sustained throughout the year, the total for 1948 will exceed 60,000,000.

Meanwhile the magazine Iron Age said that one of the factors behind the present steel shortage is the pig iron supply.

The magazine said that aluminum producers, hard pressed by domestic demand, reported large tonnages of foreign aluminum and aluminum scrap coming into the U. S. from Marshall Plan nations.

Income Tax Evader Gets Prison Term

WHEELING, W. Va., Nov. 26.—(INS)—William Lias, 350-pound owner of the Wheeling Downs race track, was sentenced to five years in prison and fined \$10,000 Wednesday on income tax evasion charges.

Lias pleaded guilty to one of five counts in an indictment charging he cheated the government out of a total of \$902,948 in the years 1942 to 1946 inclusive. The other four counts were dropped.

The penalty given the race track owner was the stiffest possible under the law.

The specific count to which Lias pleaded guilty charged he did not pay \$101,105 tax on his 1946 income.

Russians Attack State Professor

STATE COLLEGE, Pa., Nov. 26.—(INS)—A Pennsylvania State College professor today enjoyed the somewhat dubious honor of being singled out for an attack by the Russian "Literary Gazette."

An article stated Dr. L. L. Barnard, professor of sociology, was a stooge for capitalism. His "the campaign of American Sociology" indicated he followed a trend among other American scholars and was "surprisingly introducing the extremely ancient and outworn idea that it is useless to change social relation," the Gazette asserted.

Barnard said he had no idea why he was attacked.

NAACP Will Have Meeting Sunday

Reports Will Be Given By Delegates Who Attended State Conference

On Sunday afternoon, November 28, at 4 o'clock, members of the local branch of the N.A.A.C.P. will have a mass meeting in the Second Baptist church.

Reports will be given by the delegates who attended the re-

cent state conference at Johnstown, Pa., and the election of a nominating committee will also take place at this time. Those who attended the conference were: Dr. and Mrs. James A. Gillespie, John Campbell, Mrs. Lillian McHenry, Bert Hall and Miss Corrine Gar-side.

Another feature of the meeting will be the presentation of a group of choral numbers by the Lawrence Lodge Chorus, directed by Gordon Marks, with Mrs. Gertrude Wilson at the piano. This is a well trained and enthusiastic group of young singers, who will sing sacred and classical numbers.

Tuberculin Test At Junior Highs

New Castle public school nurses have completed giving a tuberculin patch test to the ninth grade students at the Junior high schools.

Each year in cooperation with the Lawrence County Tuberculosis Society, patch tests are given to all students who have the consent

of their parents. After three or four days, the mark under the patch on the pupil's arm is read to see if there has been a positive reaction to the test. Annually around 10 per cent of those tested react positively and are X-rayed by the tuberculosis society.

Miss Helen Wilson, school nurse, said today that with the completion of the testing at the Junior high, plans are now being made to give the same test to Junior class members of the senior high.

LONDON—The British government insists there's something in the wind these days. It's all because of the coal shortage. Inventors who've dreamed for years of

giant windmills as a source of energy now have the blessings of the authorities. They're being asked to pass their ideas along as a patriotic gesture.

C.I.O. Delegates Call For Fourth Round Increases

Convention Prepares For Re-Election Of Murray; Little Doubt Of Result

PORTLAND, Ore., Nov. 26.—(INS)—The Congress of Industrial Organizations called today for a fourth round of wage increases without price boosts as delegates prepared to re-elect President Philip Murray.

Adjournment was expected before tonight as the 700 delegates to the organization's 10th convention began casting ballots for officers.

Murray is virtually assured of re-election. Even delegates opposing his policies in many cases have publicly praised him.

Walter Reuther, fiery president of the United Auto Workers and considered the second most powerful man in the CIO, expressed support for Murray before the convention opened.

Delegates yesterday demanded "ever-increasing" wages without price boosts as a spokesman for the UAW served notice that his union will demand a 'fourth round' of pay increases.

Drugless Health!
NO MATTER how long you have been suffering from stomach, kidney and rheumatic distress, and what drugs you have tried before, you can, now, hope for relief if you take GEO-MINERAL. With your eyes SEE the results seven days after you start taking it.

DRUGGISTS. Chemists cannot make springs of Lourdes, France, and famous Thronion in ancient Greece, where, according to legend, Hercules, the god of eternal strength and youth, drank its waters and bathed to be forever young.

Wonder Minerals
FOR THOUSANDS of years sufferers, on advice of doctors, go to mineral springs to get cure, or relief. The late President Roosevelt used to go to Mineral Springs in Georgia. He was helped or would not have gone there twice a year.

WE HAVE all heard of the miraculous springs of Lourdes, France, and famous Thronion in ancient Greece, where, according to legend, Hercules, the god of eternal strength and youth, drank its waters and bathed to be forever young.

Amazing Results
WATCH your elimination from your bowels two or three days after you start using GEO-MINERAL. The waste, black as coal, will break away and you will SEE it! Also examine your urine. You may see impurities—poisonous waste—coming out of your kidneys, and feel the relief. Be sure to watch for all this to realize its priceless value.

MEDICAL records show 85% of men and women over 25 suffer from nutritional mineral-iron anemia. When you feel nervous, dull, tired, lazy, have dizzy spells, no ambition to work or play, a poor appetite when your eyes lack that bright spark and your mind brilliance, when headaches get the best of you, and you feel old before your time, and life seems not worth living, with worry wearing you down—it may be simply lack of minerals in your blood. GEO-MINERAL is then what you need.

ECKERD'S DRUG STORE
Mail orders to above address—add 10c for postage.

"We have sold Geo-Mineral for the last six months and it has been one of the best selling drug items we have ever handled"—Ray Porter Bros., pharmacists of Concord, N. C. "Users report amazing results in many instances, and we personally believe Geo-Mineral is a good medicine for purposes as indicated, and recommend it to sufferers who have tried other medicines with little if any results. They may discover that Geo-Mineral is what they have probably been needing and looking for — we unhesitatingly recommend it."

100% Guaranteed!
WE URGE everyone to try GEO-MINERAL. Do not hesitate one moment. Go to your drug store now. Get one bottle. Use it one week. If you are not 100 per cent satisfied, we will refund your money.

REGARDLESS of how long you have been suffering, and how many medicines you have tried before, GEO-MINERAL may be the remedy you need!
TRY it today! It may do wonders for you—and be the best investment for your health. Make you feel, eat, sleep, work and enjoy life better.

Cost Of Living Decrease Seen By January 1

By PHILIP J. FINE

WASHINGTON, Nov. 26.—The future head of the senate banking committee predicted today a cost-of-living decrease by Jan. 1 but did not rule out standby government controls "above the retail value".

Sen. Maybank (D) S. C., who is due to become acting chairman of the controls-writing committee in the absence of Sen. Wagner (D) N. Y., who is ill, pointed to price drops in cotton, tobacco and other raw materials.

Maybank added: "So far, the drop has not gone beyond the middleman's stage. My feeling is that the decline should be reflected across-the-counter by the first of the year."

"If retail prices don't drop, I shall want to know why."

Maybank said he will be "willing to study" control bills if their application is "above the retail level". As ranking minority member of the banking committee, Maybank opposes price control authority, not in itself but because of what he called "its attendant evils, such as the black market."

U.S. Can Never Be Completely Prepared For War

PHILADELPHIA, Nov. 26.—(INS)—Defense Secretary James Forrestal declared that the United States never can be "completely" prepared for war.

Forrestal, in a Saturday Evening Post article entitled "can the army and navy get together?" insisted that unification of the armed services is succeeding.

But he emphasized that "there is no such thing as a master plan which can be pulled out of a top drawer and become smoothly operative overnight."

Forrestal said unification must be a "gradual process" and he added:

"It is not yet a complete success. There have been no multi-billion-dollar savings. However, we are saving money. And we are providing a more efficient military establishment."

He admitted that the army, navy and air force "still argue with one another" and declared he hoped "they always will."

"We want informed difference of opinion," Forrestal asserted, "as long as we all pull together."

The defense chief said he considers industrial mobilization one of the nation's most critically important problems.

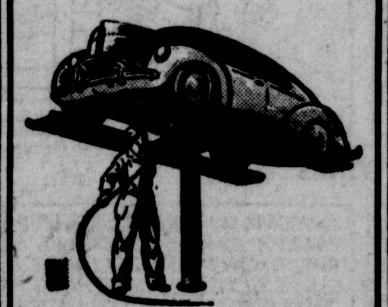

He proposed that the government line up specific men from civilian life to fill key jobs in the projected war agencies.

"The problem is so serious," Forrestal said, "that I feel strongly that American business and industry must make it possible for some of their leaders to give full time to it."

Reynolds AND Summers

Fashions For Men, Young Men and Boys

Around Hollywood

By ROLAND HAYES

(International News Service Staff Correspondent)

HOLLYWOOD, Nov. 26.—Even Confucius might have been confused by this.

It certainly stymied Roland Winters, screenland's newest "Charlie Chan."

Winters' spouse is one of those kind-hearted gals who takes pity on stray dogs and cats. She lugs them home, cleans them up, and stuffs them with chow.

While Winters was on location at sea off the coast of Southern California for his role in Monogram's "Tuna Clipper," Mrs. Winters found a tremendous mongrel dog in the neighborhood. Nobody seemed to want the pup.

Surprise For Hubby

So she took him home. And made friends with the pooch.

Three nights later Winters came home. Knowing nothing of the animal, he blithely opened the door and started for the living room.

Started, that is. He got as far as the threshold.

When he woke up he was flat on his back on the lawn—and what appeared like a slaving monster was staring him in the face. His wife had chosen just that moment to visit a neighbor. And despite his "Chan" characterization Winters couldn't figure out which neighbor.

He tried Cajolery. Even took a trip to a nearby market, which was still open, for a chunk of steak, nothing helped. The mutt just wasn't having anyone in the house except the woman who had befriended him.

Out Goes Mr. Dog

Winters finally got himself a handful of nickels, retired to the corner drug store and began calling anyone who might know where his wife might be.

It was only on her return that the actor finally was allowed to enter his home.

Next day the dog went to a friend of the family. He was still too suspicious of the actor to make him comfortable in his own home.

Wasting Time

Real estate agents are wasting their time with newlyweds Olga San Juan and Edmund O'Brien.

The diminutive bride, whose latest flicker is 20th Century-Fox's "The Beautiful Blonde from Bashful Bend," has a definite explanation of why she and Eddie aren't renting or real estate bait at the moment.

"Of course, we'd like our own home, but we've decided a one-

year time of adjustment must elapse before we try to do anything permanent."

"Eddie and I were both working when we were married a month ago, so we decided our substitute for a going-away honeymoon would be a hotel honeymoon, free of household anxieties. Now, after three weeks in a hotel, we've moved into the house Eddie and his big family had been living in."

Not Right Taste

"The house, which Eddie had

rented before we were married, is much too big. We rattle around in it," Olga confessed. "It's furnished in beautiful taste—but not our taste."

"By the end of a year, we figure we should know more of each other's tastes, hobbies, activities, idiosyncracies. Until, by time and discussion and adjustment to each other's quirks, we learn what our respective habits, likes and dislikes are, it would be silly to buy or build or re-decorate."

RELATIVES ALL
FORT WORTH, Tex. — Joe Heath's wife here also is his step-sister. Further, his father-in-law is his stepfather. Peace Justice

Frank Hurley is the reason. He married Mr. and Mrs. Virgil Losier, and later wed Heath, son of Mrs. Losier, and Miss Verna Helen Losier, daughter of Losier.

THE FAMILY SCRAPBOOK

By Ernest G. Osborne

WHY NOT TRY THIS?

Furniture For Growing

In these days of high prices, we have to watch our pocketbooks. When buying furniture for children, one should avoid the "cute" highly decorated chair, table, or bed and get something that can be used as the children grow older.

There are beds with sides suitable for the very young child which can become very good youth beds when the removable sides are taken off. Sturdy chairs into which the youngsters can grow are also good "buys." However, until legs are long enough to touch the floor, a foot stool high enough so that feet can easily reach it, should be provided.

When children are under six, they may be interested in colorful decorations for their furniture. Later, such decorations will seem "babyish" to them. Use of coverslips with designs interesting to the three or four-year-old later can be replaced with something more appropriate to the growth-up of eight.

Whenever possible, too, children should have a part in the selection of their furniture. You may be surprised to see what good taste they have.

Minister's Wife In Pittsburgh Continues Fast

PITTSBURGH, Nov. 26.—(INS)—Mrs. Marie Nuzum of Pittsburgh is one person without that "over-stuffed" feeling which usually follows Thanksgiving.

She didn't eat a bite Thursday. In fact, the minister's wife hasn't eaten in 18 days. She's fasting in the hope that her sacrifice and prayers will aid in the healing of others and obtaining funds for building a new church for the Church of God congregation of her husband, the Rev. Raymond E. Nuzum.

Mrs. Nuzum said the first four days were the hardest, adding:

"After that I lost my appetite." Her entire diet consists of water, even yesterday when she prepared and served a complete duck dinner for her husband, two sons, a daughter and a friend. Mrs. Nuzum just sat at the table, talking and occasionally sipping a glass of water—and seeing that her family had enough to eat.

Mrs. Nuzum's fast will end next Tuesday. And what will her first "meal" be?

A glass of fruit juice.

JR. BUSINESS GIRLS MEET FOR DINNER

On November 23, for their Thanksgiving meeting, the Junior Business Girls club enjoyed a dinner at the village inn in Harlansburg. A short meeting was held before dinner.

Next meeting will be held at the home of Mrs. Rose Cugini, 622 East Lutton street, in the form of a farewell party honoring Mrs. Francis McKissick who is leaving soon for advanced training at the St. Francis Hospital in Pittsburgh. The Junior Business Girls club meets every Tuesday evening in the club room of the Y.W.C.A. and is open to all business and professional girls.

New Castle Seeks Class AA Title Saturday

Meet Monongahela High At Pitt Stadium

New Castle High's mighty "Red Hurricane" football machine, faces its severest test of the 1948 season, winning the Class AA WPIAL championship at the Pitt stadium, Saturday afternoon.

Monongahela's High "Wildcats" will furnish the opposition as the Phil Bridenbaugh juggernaut heads into its fifth title trip. Four times have Bridenbaugh machines been WPIAL champions.

Morale Is High

Their morale the highest it has been all year, the 'Cans are ready for a gruelling contest. The locals want to win this one. They are filled with determination. The boys are fired by enthusiasm, to play on a championship team is the desire of every youngster.

The New Castle team will put forth its best effort you can be assured of that. Monongahela is in for a rough afternoon. The "Wildcats" had better be extra-wild if they want to defeat the sons of Pa Newc tomorrow.

A crowd of around 20,000 will see the battle, with perhaps 5,000 to 6,000 from New Castle being present.

The kickoff is slated for 1:30 o'clock.

Work Out Thursday

Thanksgiving didn't mean much to the high griders yesterday as the team held a lengthy drill at the stadium, going over new plays, running signals and brushing up on passes.

Coach Bridenbaugh would not give any hint as to his starting lineup other than the fact that running on the first team most of the time were Smith and Beynon at the ends, Piccirillo and Joseph at the guards, Ciaella at center, Mangino and Tate at the tackles. The backfield had Gil Dissen at quarterback, Dom Valenti, Vince Lamorella, Jimmy Altman and Sammy Keyes at the halves and Paolone at fullback.

Keyes Still Ailing

Keyes has been fighting a bad cold all week and is not in the best of shape. Paolone has seemingly shaken off his leg injury. Jasper Williams will see plenty of action tomorrow at either guard or end. Don Piccirillo may start at right guard.

Monongahela has a record identical with New Castle, nine wins and one defeat. Coach Ben Haldy

has a tricky and fast eleven. They are entering their first WPIAL title playoff. It is getting to be old stuff with New Castle.

Let's Win It

The "Wildcats" will not be any pushover, by any means. New Castle will have to play hard every minute to win this big classic.

It's only 24 hours away, folks. We'll be seeing you at the Pitt stadium tomorrow. The New Castle High band and cheerleaders are all ready for a big afternoon of morale building. Let's go get 'em, New Castle.

Leasure, Higgins

Win By Knockout

Les Leasure and Young Higgins, the former of New Castle, and Higgins from Campbell, knocked out their opponents Wednesday night at Girard, O.

Leasure used a left hook to the jaw to stop Baby Simms of Cleveland in the first round. Higgins won his 17th victory by stopping Cab Calloway, Pittsburgh.

High Students Chant "Beat Monongahela"

Tonight is the night for New Castle football fans to howl. If they all turn out at the big football rally on Boyles Field at 7:00 o'clock, they may well have something to howl about again tomorrow night.

Rumors reaching New Castle indicate that all activities other than those connected with football, will cease at the close of today's business in Monongahela for the rest of the weekend so that they may prepare for the W.P.I.A.L. title game in Pittsburgh tomorrow, and also celebrate a victory after the smoke of battle has cleared away at Pitt Stadium.

On To Victory
New Castle fans certainly don't begrudge them their preparation, but the followers of the Red and Black can all do their part to discourage after-game activity by the fans of the valley eleven, by turning out en masse tonight and cheering the team on to victory tomorrow.

The Red Hurricanes have not only put in a very tough week of practice at Taggart stadium, they have been pointing toward such a game since the middle of August and have really worked hard to gain this shot at the championship.

Rivals Present
New Castle's star center, Tony "the Rock" Ciaella will start to-

WEDO Plans To Broadcast Game

Station WEDO in McKeesport has arranged a play-by-play direct broadcast of the New Castle-Monongahela high championship Class AA WPIAL game at the Pitt stadium Saturday afternoon. The broadcast will be at \$10 on your dial, starting at 1:30 p. m.

Joe Tucker, famous Pittsburgh Steelers announcer, has been signed to handle the broadcast. Tucker is one of the best in the business and will have an interesting account of the game.

night's festivities by putting the torch to a huge bon fire on the Highland school playground. The high school band and the cheerleaders will, of course, be on hand to keep things moving at all times. Reliable sources said today that a Monongahela fan was also planning to attend the pep rally. It may be only a New Castle clown who would dare enter the "Hurricanes" den, but local fans will get an opportunity to learn how to tell a Monongahela rooter from one of the New Castle variety.

Jasper Williams, "Jumbo" Josephs, and Tony Ciaella are the players who are part of the speaking program. Coach Bridenbaugh and Mayor Haven are also scheduled to say a few words.

Ride For Bridey
Bridey and Bill Klee, assistant coach, will then have the privilege of riding in the parade behind the band in an open car of 1920 vintage. If the body of the Monongahela fan hasn't already been thrown into the fire, he will be carried downtown in a casket and thrown into the river.

It all shapes up as a great "Beat Monongahela" pep rally and parade tonight. Seldom do New Castle fans get a chance to publicly demonstrate their enthusiasm for the local team, but tonight is that opportunity, and they should make a "whooping success" of it.

All-Star Floor Battle Tonight

CHICAGO, Nov. 26. — (INS) — The 1948 College All-Stars, four of them actually under six feet, oppose the Minneapolis Lakers tonight in the ninth number of one of basketball's most honored annual customs.

Bears Subdued Thursday Night

Employing a widely heralded diversified running and passing attack, the rambling, rollicking Ellwood City VFW Bolt Busters, presented their staunch followers with a fine 23 to 0 defeat of the Wabash Bears, at Taggart stadium last night.

A happy Thanksgiving night crowd of around 5,000 fans, saw the Bolt Busters win the 1948 Lawrence County semi-pro championship in a mist impressive manner. Bill McClintick, Bob Chesko and Ziggy Glogowski accounted for the Ellwood touchdowns, while Ellwood scored a safety and Dale Tillia and Jack Desport supplied the extra-points.

Devastating Offense

Showing clearly a tricky offensive attack, the Bolt Busters ran up 10 first downs, and allowed the Bears but three, two coming on penalties.

It was a Pro-Indus Club charity game, and put several hundred dollars into the club's charity coffers. William Sands, general chairman, was more than gratified at the response of the fans.

There was a strong possibility that this may become an annual Thanksgiving Day classic.

No Back Seat

Coaches Bill and Harold Young, of the Bolt Busters presented a team to New Castle last night, that need take no back seat from any semi-pro team. They were well drilled, their plays snapped with precision. The Bears were out-classed all the way, but the locals kept trying, and were still trying when the game ended. The Bears had the weight, but the Bolt Busters were faster and more experienced.

Ellwood scored a safety in the first period, Tillia passed from the Bears 34 and Flora intercepted for the TD in a broken field. Wiltrout added the extra-point on a placement, making it 9 to 0.

line and recovered, giving Ellwood two points.

The first period ended 2 to 0.

W. McClintick-Chesko Score

The Bolt Busters talked twice in the second period. Bill McClintick ran the first one over from the 30-yard line on a pass play and a lateral from Tillia to Chesko to McClintick, with the fleet-footed Bolt Buster halfback speeding for the TD in a broken field. Wiltrout added the extra-point on a placement, making it 9 to 0.

Just as the first-half ended, the Bolt Busters scored again on a pass from Tillia to Chesko in the end-zone. Eddie Jacobs fumbled for the Bears, Ellwood recovering on the 20 yard line of the Bears (Continued on Next Page)

Army And Navy Tangle Saturday

Army Highly Favored To
Defeat Middies In Annual
Contest At Phila-
delphia

By DAVIS J. WALSH
(International News Service Sports
Writer)

PHILADELPHIA, Nov. 26. — Philadelphia looked doubtfully out from behind its cloisters today on the eve of a national hysteric called the Army and Navy game.

By nightfall, the town will be at grips with the big avalanche, which tomorrow will reach peak proportions to the number of 105,000 people at the Municipal stadium down by the magnificent vista where Philadelphia used to dump its ashes. But right now the moment was one of mere expectancy and mounting excitement.

The principals, heading toward the scene from opposite directions, were due some time before noon. Their immediate agenda called for final dress-rehearsals before acres of seats, as empty as a polite society yawn.

Army Favored
Whereas tomorrow, unless properly credentialed, you couldn't get in with President Truman. For official Washington will vie—as the boys say—with Park avenue and Rittenhouse Square, high brass and heavy braid will abound and \$100 may get you two good ones under a ramp.

Probably no Army-Navy game of the preceding 47 offered less of a contest in advance—unless it was the Davis-Blanchard vaudeville of two years ago when the Middies figured to get an awful larruping. Instead, they went loco, took the score to 21-18 and wound up on the 3-yard line with the potential winning touchdown when the game ended.

BROWNS, BILLS, CARDINALS WIN

(By International News Service)

The Cleveland Browns and the Buffalo Bills still head their respective divisions in the All-American Conference today, but both had narrow escapes in Thanksgiving Day activity.

The Chicago Rockets held a 35 to 26 advantage in the fourth period, but two long runs gave the Bills two touchdowns and a 39-35 triumph.

Graham Connects
Cleveland and the Los Angeles Rams were 14 to 14 at halftime. In the second half, Otto Graham started connecting with his passes. Two touchdowns and a 36-yard field goal by Lou Groza followed and the Browns won, 31 to 14.

In the National Football League, the Chicago Cardinals got stiff opposition from last-place Detroit before whipping the Lions, 28 to 14.

**Schedule Senior
'Y' League Games**
Senior "Y" league basketball games originally scheduled for Tuesday night of this week will be played tonight, according to Harold Pears, YMCA physical director. Pears also stated today that there will be no junior church league games this week because of the Thanksgiving holiday.

Tonight's games are as follows: 7, Rebels vs Shamrocks; 8, Wings vs G. E. Shine; 9, Chiefs vs Civics. stopped O'Neil Bell in three rounds. According to Bradley Thelen weighed too much for him, the extra poundage proving a big advantage to Thelen. Jack Biddle, local middleweight, lost by a TKO to Terry Wagner in the 6th round of a Milwaukee fight Wednesday night, it was learned today. Biddle suffered a badly cut eye and the referee stopped it.

BEARS SUBDUED THURSDAY NIGHT

setting up the TD. B. McClintick ran the ball to the Bears 9, and then the five, and it was at this point that Tillia faded back and let leave with Chesko receiving. Wiltrout kicked the extra-point, making it 16 to 0 at half-time.

Scoreless Third Period
The third period went scoreless. Neither team could stage much offensive attack. There were a few fumbles that hurt both sides. It was mostly a punting duel between Tillia of Ellwood and Tanner and Gilboy of the Bears.

The Bolt Busters, leading 16 to 0, seemed simply content to just protect their lead and to see that the Bears didn't get too rambunctious.

Glogowski Tallies
With less than five minutes of the game remaining Mancini, an Ellwood sub halfback, intercepted a pass from the Bears and ran the ball to the Bears 17 yard line. Ziggy Glogowski on a pass play from Desport caught the ball on the 10-yard line and ran it over, for the final touchdown. Desport added the extra-point on a placement, making it 23 to 0.

The Bears in desperation in the final few minutes tried many passes but failed to click. The Bears did not threaten the Busters line any time during the contest. Their offense was smothered.

Standing out brilliantly in the Ellwood victory was Dale Tillia and Jack Desport alternating at quarterback. Bill McClintick, and Wiltrout. On the Busters line Konyak, Chesko, Presto, Hughes and Agostinelli, Sula, Duet, Desport, O'Shura, Abbaticchio, Raykovich, Mancini, Ottobre, Glogowski, Smith. Referee, Paul Hoskins; umpire, Dr. Frank Benedict; linesman, Pete Colodri; field judge, Harold Barry.

Bolt Busters Hailed
For the Bears Tom Gilboy, Chubby Ross and Flora did good work in the backfield and on the line it was Ernie Adamo, Mike and Tomalello who stood out, along with Izzo, Haddad, Padula and Antonelli.

The fans thoroughly enjoyed a good clean, hard fought game, that saw Ellwood with class personified.

Ellwood is hailing the Bolt Busters for eight wins and two losses for a fine season's record and

achievement under a great leader Bill Young, who saw his team win the county semi-pro championship last night.

Graziano Faces Suit On Coast

Coast Promoter Will File
Suit Against Graziano
For "Ditching"
Apostoli

OAKLAND, Calif., Nov. 26.—(INS)—Rocky Graziano will be doing his fighting in a court instead of the prize ring if promoter Jimmy Murray has his way.

Murray was preparing to fly to Los Angeles and confer with Hollywood's famed lawyer, Jerry Giesler, whom Murray retained to file suit against Graziano for allegedly running out on a fight with Fred Apostoli.

The bout, often postponed since last September when it was originally set, was finally lined up for Dec. 1 in Oakland's auditorium. Brooklyn's Graziano and San Francisco's Apostoli both are former world middleweight champions.

Rocky Goes Home
Rocky arrived in Oakland by plane Nov. 12 to train for the scheduled engagement. Last Thursday—without so much as a by-your-leave—the unpredictable Graziano flew back to Brooklyn. His manager, Irving Cohen, said in New York that the Apostoli fight is off because Graziano is "upset emotionally" and needs "a good, long rest."

Murray immediately phoned Giesler and asked the lawyer to bring suit against Graziano in New York state for breach of contract and consequent damages.

Murray said Rocky's runout will cost him between \$8,000 and \$10,000.

Lesnevich strangely injured himself just before he was to have met Jersey Joe Wolcott on the tournament of champions card featuring Marcel Cardan and Tony Zale.
